9:00 – 10:15 a.m.

Construction Contracting 101

Fundamentals of Construction Contracts

Your municipality has approved a large construction project. The project design and contract are now up for consideration and you have been tasked with responsibility. What do you do? Construction Contracting 101 will explain the fundamentals of construction contracts. The presenters provide a basic understanding of contract and risk management concerns to position your municipality in the best possible position when executing these contracts. Join us to explore how to contract for services, an explanation of terminology essential to construction projects, relationship building with the community, practical guidance for ensuring council/committee/board buy in, and whether public bidding requirements may come into play.

Andy Phillips

Attorney
von Briesen & Roper, SC

Andy Phillips has dedicated his career to assisting local governments, school districts and businesses with their most challenging legal problems. Andy brings innovative solutions to the organizational, operational and personnel problems facing local governments and has been a leader in creating consortiums efficiently in areas such as Medicaid programming, human services and long term care. Andy serves as General counsel for the Wisconsin Counties Association, a position which he has held for the past decade.

Steven Nelson

Attorney
von Briesen & Roper, SC

Steve Nelson is a Shareholder in the Litigation and Risk Management Practice Group. Steve has extensive experience in litigation and concentrates his practice in commercial litigation including construction, civil and business, contracts and lease disputes, toxic tort, OSHA counseling and citation defense, personal injury defense, product liability, professional liability defense and Wisconsin fair dealership law. He has litigated on behalf of clients involved in complex construction matters including tunnel and sewer construction, building construction, highway construction and matters involving maritime law. He has successfully represented numerous companies and corporations that received OSHA citations.

All are welcome to attend.
