October 19**

10:30 – 11:45 a.m.

Get the Lead Out!

Your municipal water system has lead service lines. Do you need to replace them? What challenges will you face if you do? How can you assist customers who want to replace the portion of the lead service line that they own? This presentation will help answer these questions and provide an example of what the City of Milwaukee is doing to replace lead service lines.

Lawrie Kobza

Partner

Boardman & Clark LLP

Attorney Lawrie Kobza, a partner at the Madison law firm of Boardman & Clark LLP, has represented municipal water systems and other utilities on a full range of legal matters for over 25 years. In addition to representing many municipal water utilities, Lawrie serves as legal counsel to the Central Brown County Water Authority, Wisconsin's only joint local water authority. She also serves as legal counsel to the Municipal Environmental Group - Water Division, a municipal water utility lobbying group. She is a past chair of the Wisconsin section of the American Water Works Association. Lawrie is a graduate of the University of Wisconsin Law School and Business School.

Tom Miller

Assistant City Attorney

City of Milwaukee

Tom Miller is an Assistant City Attorney for the City of Milwaukee. Tom represents the City and its water utility in regulatory compliance, rate-making, and other public utility issues before the Public Service Commission of Wisconsin. He counsels City policymakers, departments, and boards on general municipal law matters, including regulation of the public right-of-way, property tax assessments, special assessments, and contracting.

Tips, Trends & Tactics
