League Event Sponsorship Connects You to Wisconsin's Cities and Villages

Interact directly with Wisconsin's local officials and staff by sponsoring one or more of the League's conferences, workshops, or institutes. Sponsorship for each event is limited based on space and location. As a sponsor you can maximize your opportunity to make a lasting impression on city and village officials and staff. Sponsor an event now so you don't miss the opportunity to put your organization in front of our members.

Sign Up

Sign up online or use the order form on the back of this sheet. Remember, sponsorship opportunities are limited and are on a first-come, first-served basis. The earlier you sponsor the more likely it will be available and the more time you give us to promote that sponsorship with the attendees.
